The third blog post!

This is the third blog post. I hope you all are getting acquainted with the website.

Today, I wanted to talk about a new game which I'm going to be playing on stream. It's called the Simpsons Hit and Run. It's one of my all time classic games and it looks really interesting. I'm going to be playing it every day for a couple weeks to try and get a good time in the ASM (All story missions) category.

I look forward to talking to you all during my next live stream, hope you can make it.
